

Eating Out at local pubs and restaurants

There are two pubs in Robertsbridge:

The Ostrich www.ostrichhotel.co.uk , opposite the Station, which has one of the only tropical gardens for warmer months and **The Seven Stars** www.seven7stars.co.uk built in 1380 which is in the main High Street. Both have pool tables and serve Harveys beer with the Stars serving bar food.

Also in Robertsbridge is **The George Inn (01580 880315)** www.thegeorgerobertsbridge.co.uk which has a great atmosphere, but is more a restaurant/bar than pub and it is advisable to book for dinner on Fridays and Saturdays.

A great local country pub is **The Salehurst Halt (01580 880620)** www.salehursthalt.co.uk which always has an entry in The Good Pub Guide. It is small and friendly with good home-cooked food and also has a very pleasant garden which in the summer months has a wood-fired pizza oven. It is definitely advisable to book for evening meals and for their excellent Sunday Roast.

We are fortunate to have within three miles **The Curlew Restaurant (01580 861394)** www.thecurlewrestaurant.co.uk which has just (January 2011) received a Michelin Star. It is modern British cooking, beautifully presented and very fairly priced in smart, contemporary surroundings. Also has a garden for the warmer months ahead!

The White Horse (01580 860235) www.the.whitehorsehurstgreen.co.uk just up the hill is a popular bar/restaurant with lovely garden in summer and with popular monthly Jazz nights too.

A little further, at Battle (5 miles – 10 min drive) is **Nobles Restaurant (01424 774422)** www.noblesrestaurant.co.uk which again is modern British and is in The Michelin Guide, but not starred.

The local Indian restaurant, **The New Spice (01580 881999)**, in Robertsbridge High Street is very popular – generally not necessary to book and at Hurst Green there is **Eurasia (01580 860200)** which is a mixture of Chinese and Malaysian cooking and generally it is not necessary to book. The New Spice will also deliver to Slides Farm if the order is placed before 8pm.

The **Robertsbridge Fish Bar (01580 880449)** has a good Chinese takeaway and of course fish and chips! Most guests prefer fish and chips from the **Man Yee (01580 860321)** at Hurst Green on the A21 which also has Chinese takeaway (3 mins by car).

Further afield, **Webbes (01424 721650)** www.webbesrestaurants.co.uk at Hastings is a lovely modern restaurant specialising in fish and local produce as does **St Clements** www.stclementsrestaurant.co.uk in St Leonards on Sea (both Michelin Guide). **The Wild Mushroom (01424 751137)** www.webbesrestaurants.co.uk.co.uk at Westfield is a popular destination restaurant too – modern British again and also part of the small Webbes chain that also owns The Fish Works at Rye.

If you wish to have a takeaway we are happy to provide plates, cutlery etc and happy to clear up after too!

If you need any advice please feel free to ask – similarly if you want us to book for you we are happy to do so.
